

Notice of Scheduled Power Outage

February 28, 2024

Kuapa Isle AOA
156 Opihikao Way
Honolulu, HI 96825

Dear Kuapa Isle AOA,

Modernizing the electric grid and providing reliable electric service to our customers is Hawaiian Electric's highest priority. We regularly perform work on our electric system and utilize technology and processes to minimize disruption to our customers, but at times we may need to deenergize power to safely perform our work. We understand that an outage of any length is an inconvenience, so we carefully plan this work to minimize the impact to our customers and your business operations.

On Wednesday, March 13, 2024 we will be performing inspections of vaults and handholes which will require a complete power outage in your area.

Scheduled Outage Date:	Wednesday, March 13 / 15, 2024
Area(s) Affected:	494 Opihikao Place / Clubhouse
Scheduled Outage Start Time:	8:30 a.m.
Scheduled Outage Stop Time:	2:30 p.m.

The times listed above are estimates based on our assessment of the scheduled work and known site conditions. There is always a possibility that unforeseen conditions could lengthen or shorten the outage duration, but we make every effort to work quickly and safely to complete the job and restore service as soon as possible.

Should the work be cancelled due to a weather or project delay, the work will be rescheduled for a later date. To ensure that you receive timely notification and information about this scheduled work (as well as other important notifications from Hawaiian Electric), we ask that you confirm your contact information (phone, email and mailing address) via your online account at www.hawaiianelectric.com.

Please review the enclosed flyer, which contains instructions and precautions to take before, during and after a scheduled outage.

We apologize for the inconvenience and appreciate your patience and cooperation as we work to maintain reliable service for your community. If you have questions or concerns, please contact us at (808) 543-7777 or via email at commercialservices@hawaiianelectric.com.

Mahalo,
Commercial Client Services
